

Table of Contents

Chapter I. Introduction ITO-1

- About Envision Burlingame ITO-2
- Using the Plan..... ITO-3
 - Plan Chapters*..... ITO-5
 - Key Terms* ITO-6
 - Implementation Categories*..... ITO-6
 - User Groups*..... ITO-10

Chapter II. Community Context..... CX-1

- Historical Context..... CX-1
 - Burlingame Development*..... CX-1
 - Historic Resources* CX-2
- Context and Community Profile CX-3
 - Geographic Context* CX-3
- Economic and Demographic Context..... CX-5
 - Regional Issues* CX-6
 - Population Trends* CX-6
 - Age* CX-6
 - Income*..... CX-7
 - Tenure and Housing Stock* CX-7
 - Employment*..... CX-7
- Environmental Conditions CX-7
 - Air Quality and Greenhouse Gas Emissions*..... CX-8
 - Biological Resources* CX-8

TABLE OF CONTENTS

Water Resources..... CX-9

Visual and Scenic Resources..... CX-9

Sea Level Rise CX-10

The Community Process..... CX-10

Stakeholder Interviews and Meetings..... CX-10

Neighborhood Intercept Surveys..... CX-11

Community Advisory Committee Meetings..... CX-11

Community Workshop #1 CX-11

UC Berkeley Graduate Students CX-12

Burlingame High School Students CX-12

Community Workshop #2 and Online Survey CX-12

San Francisco State University Students..... CX-13

Planning Commission Study Sessions CX-13

City Council Study Sessions..... CX-13

Study Areas..... CX-13

Areas of Stability and Change..... CX-13

Study Area Refinement and Direction CX-14

Projected and Desired Growth for Burlingame CX-15

Envision Burlingame Growth Scenario CX-15

Chapter 3. General Plan Principles GPP-1

Introduction GPP-1

Principle 1: Balanced and Smart Growth..... GPP-1

Principle 2: Community Character/Urban Forest..... GPP-2

Principle 3: Connectivity GPP-2

Principle 4: Economic Diversity and Vitality GPP-3

Principle 5: Healthy People, Healthy Places..... GPP-3

Principle 6: Education GPP-4

Principle 7: Civic Engagement GPP-4

Chapter IV. Community Character..... CC-1

Introduction CC-1

Land Use Plan CC-3

Land Use Designations CC-4

Residential Land Uses CC-4

Commercial Land Uses CC-7

Mixed Use Land Uses..... CC-9

Industrial Land Uses CC-14

Open Space and Recreation Land Uses CC-15

Public and Quasi-Public Land Uses..... CC-17

Sphere of Influence Land Uses..... CC-19

Managed Growth CC-20

Sustainable Development CC-20

Urban Forest and Streetscapes..... CC-24

Historic Resources..... CC-26

Neighborhoods..... CC-30

Bayfront..... CC-32

Broadway CC-45

Downtown..... CC-49

California Drive CC-53

El Camino Real CC-56

North Burlingame..... CC-59

Rollins Road CC-62

Chapter V. Economic Development Element ED-1

Introduction ED-1

Economic Base ED-1

Business Retention and Attraction..... ED-4

Chapter VI. MobilityM-1

Introduction M-1

Multimodal Transportation Network M-2

Street Classifications M-3

Safe and Convenient Pedestrian Facilities M-10

Bicycle Facilities..... M-12

Transit Access and Amenities M-14

Transportation Demand Management..... M-17

Integration of Transportation and Land Use..... M-18

Parking M-19

Natural Resources and Sustainability M-21

Performance Measures and Guidelines M-22

Corridors and Area Plans..... M-24

California Drive M-24

El Camino Real M-26

Broadway M-27

Rollins Road M-28

Bayfront..... M-29

Neighborhood Streets M-30

Chapter VII. Infrastructure I-1

- Introduction I-1
- Efficient and Sustainable Municipal Operations..... I-2
- Water Delivery and Supply I-3
- Wastewater I-7
- Stormwater Drainage and Flood Control..... I-8
- Solid Waste and Recycling I-11
- Energy I-14
- Telecommunications..... I-16

Chapter VIII. Community Safety ElementCS-1

- Introduction CS-1
- Police Protection CS-1
- Fire Prevention and Protection Services and Emergency Medical Response CS-2
- Emergency Preparedness, Disaster Response and Community Resilience CS-5
- Noise CS-9
- Sea Level Rise CS-16
- Hazardous Materials CS-18
- Seismic and Geologic Hazards..... CS-20
- Airport and Heliport Hazards CS-21

Chapter IX. Healthy People and Healthy Places.... HP-1

- Introduction HP-1
- Public Health HP-2
- Air Quality and Greenhouse Gas Reduction..... HP-5

TABLE OF CONTENTS

Parks, Open Space, and RecreationHP-11

Biological Resources.....HP-16

Water ResourcesHP-20

Scenic Resources.....HP-23

Chapter X: Engagement and EnrichmentEE-1

 Introduction EE-1

 Education and Lifelong Learning..... EE-1

 Arts and Culture EE-4

 Civic Engagement..... EE-6

Chapter XI: Implementation ProgramsIP-1

Figures

Chapter II. Context

Figure CX-1: Regional Context CX-4
 Figure CX-2: Planning Area Boundary CX-17
 Figure CX-3: Scenic Roadways..... CX-18

Chapter IV. Community Character

Figure CC-1: Land Use Plan CC-63
 Figure CC-2: Designated Historical Structures and Places CC-64
 Figure CC-3: Neighborhood Context Map..... CC-65

Chapter VI. Mobility

Figure M-1: Multimodal Circulation Network M-33
 Figure M-2: Pedestrian Network M-34
 Figure M-3: Bicycle Network M-34
 Figure M-4: Cross Section for Bicycle Classes M-36
 Figure M-5: Transit Priority Network M-37
 Figure M-6: Conceptual Street Cross-Sections for CA Drive M-38

Chapter VII. Infrastructure

Figure IF-1: Potable Water System IF-19
 Figure IF-2: Sewer System IF-20
 Figure IF-3: Storm Drainage System IF-21
 Figure IF-4: FEMA 100 Year and 200 Year Flood Zones IF-22

Chapter VIII. Community Safety

Figure CS-1: Existing Noise Contours CS-23

TABLE OF CONTENTS

Figure CS-2: Noise and Land Use Compatibility Criteria..... CS-12
Figure CS-3: Future Noise Contours Diagram CS-24
Figure CS-4: Anticipated Sea Level Rise CS-25
Figure CS-5: Fault Zones CS-26
Figure CS-6: Liquefaction Zones CS-27
Figure CS-7: Area with Steep Slopes..... CS-28
Figure CS-8: Noise Contours and building height limitations based on
ALUPs..... CS-29

Chapter IX. Healthy People

Figure HP-1: Neighborhood Distances to Parks HP-27
Figure HP-2: Existing and Planned Parks, Recreation, and Open Spaces
Areas HP-28
Figure HP-3: Biological Resources..... HP-29
